

Chemical Engineering and Technics

What you will learn in this program

You will understand and grasp the knowledge of the fundamentals and specialty of chemical engineering. You will grasp knowledge in relation to Oil & Gas processing and refining, chemical enhancement of production bio-chemical processing. Students also will develop the ability to independently conduct the research and be able to apply the knowledge to solve problems in theory and technology of chemical engineering.

Courses you'll take

- Computer aided drawing
- Chemical Safety and Environment
- Petroleum Processing Engineering
- Inorganic and Analytical Chemistry

Teaching languages: English, Chinese

Tuition: 25000 RMB/year

Course start date: September

Course duration: Four Years

Worldwide Energy Universities network
"Belt and Road" Petroleum Engineers Institute
"Double First-Rate" University
CSC Recipient Institution

Research areas

- Petrochemical Engineering and Oil Refining

Application Requirements

1. Non-Chinese citizens, in good health

Applicants should be non-Chinese citizens. In the case of former Chinese citizens, they should have proof of having obtained a foreign citizenship for more than 4 years and with a valid passport.

2. Education and age requirements

Those applying for undergraduate study must be high school graduates with excellent grades, and not more than 25 years old.

3. Language requirements

- HSK4 (with a score of 222) or higher level for those applying for Chinese taught programs.
- IELTS 6.0 or TOEFL 75 points or more for non-native speakers of English choosing English taught programs.

1. Certified highest diploma, and transcript with an average of over 70% (notarized documents)
2. Copy of Passport home page, and soft copy of your passport photo with white background, photo size 480x720
3. CUPB Application form or CSC form (for applicants who are also applying for the CSC scholarship)
4. Study Plan
5. English or HSK Proficiency Certificates (undergraduate students who have studied in English for two or more years during their study experience may also submit official certificate issued by school instead of IELTS or TOEFL scores.)
6. Physical Examination Report (laboratory reports must be attached)
7. Non-criminal Record Certificate
8. Students less than 18 years old need to find a guardian for their period of study in Beijing before they begin their studies, this person must be a resident of Beijing. They also need to provide the guardian document (should be notarized by the China Embassy in their own country)
