

Applied Chemistry

What you will learn in this program

Help students learn the basic knowledge of chemistry majors such as petrochemicals, petroleum engineering, and certain process knowledge. Graduates can engage in teaching, scientific research, technology development and technology management in the fields of chemistry, applied chemistry, petrochemicals, etc.

Teaching languages: Chinese

Tuition: 25000 RMB/Year

Course start date: September

Course duration: Four Years

Courses you'll take

- Inorganic and Analytical Chemistry
- Organic Chemistry
- Physical Chemistry
- Structural Chemistry
- Chemical Engineering Principles
- Modern Instrumental Analysis and Experiments
- Oilfield Chemistry
- Surfactant Chemistry

Application Requirements

1. Non-Chinese citizens, in good health
Applicants should be non-Chinese citizens. In the case of former Chinese citizens, they should have proof of having obtained a foreign citizenship for more than 4 years and with a valid passport.
2. Education and age requirements
Those applying for undergraduate study must be high school graduates with excellent grades, and not more than 25 years old.
3. Language requirements
 - a. HSK4 (with a score of 222) or higher level for those applying for Chinese taught programs.
 - b. IELTS 6.0 or TOEFL 75 points or more for non-native speakers of English choosing English taught programs.

Worldwide Energy Universities network

"Belt and Road" Petroleum Engineers Institute

"Double First-Rate" University

CSC Recipient Institution

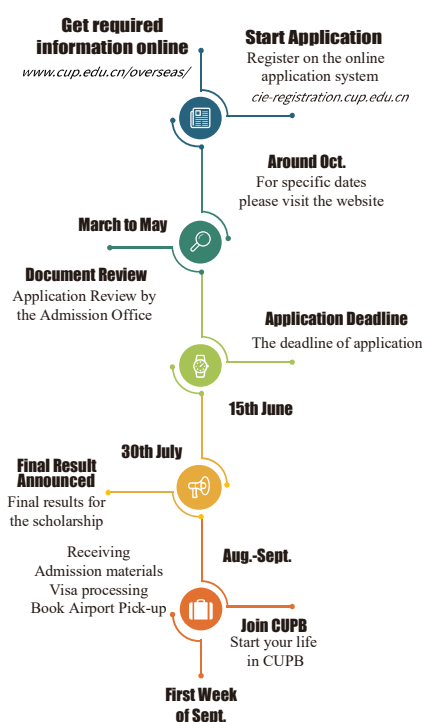

1. Certified highest diploma, and transcript with an average of over 70% (notarized documents)
2. Copy of Passport home page, and soft copy of your passport photo with white background, photo size 480x720
3. CUPB Application form or CSC form (for applicants who are also applying for the CSC scholarship)
4. Study Plan
5. English or HSK Proficiency Certificates (undergraduate students who have studied in English for two or more years during their study experience may also submit official certificate issued by school instead of IELTS or TOEFL scores.)
6. Physical Examination Report (laboratory reports must be attached)
7. Non-criminal Record Certificate
8. Students less than 18 years old need to find a guardian for their period of study in Beijing before they begin their studies, this person must be a resident of Beijing. They also need to provide the guardian document (should be notarized by the China Embassy in their own country)
