

Program Introduction

Modern chemistry is based on atomic theory and chemical bond theory as the foundation and the main line to develop. The discovery of atomic electronic structure and the establishment of quantum theory provide a solid scientific basis for chemistry. Mastering a solid, broad basic theoretical knowledge and skills of chemistry; grasping the specialized knowledge, theory and research method for a certain chemical research direction further systematically and understanding the present situation and development trend is the main objective achieved by studying chemistry at our university.

Tuition:
36000 RMB/Year

Course start date:
September

Course duration:
Four Years

Chemistry

Courses you'll take

- Solid Surface Chemistry
- Chemical Reaction Engineering
- Catalytic Science and Technology
- Higher Instrument Analysis
- Advanced Organic Chemistry
- Polymer Chemistry
- Modern Colloid and Interface Chemistry

Research Areas

- Petroleum Chemistry
- Colloids and Interface Chemistry
- Catalytic Chemistry
- Environmental Chemistry
- Materials Chemistry
- Quantum Chemistry

Application Requirements

1. Non-Chinese citizens, in good health:
Applicants should be non-Chinese citizens with a valid passport or verification of a foreign nationality at least 4 years, and with over 2 years living aboard records (9 months in a year living aboard can be considered as 1 year which is subject to the entry & exit stamps) in recent 4 years (before April 30th of every academic year).
2. Education and age requirements:
Those who are to study at doctoral level have a master's degree and be under the age of 40.
3. Language requirements for graduate program:
 - a. HSK5 (with a score of 180) or higher level for those applying for Chinese taught programs.
 - b. IELTS 6.5 or TOEFL 80 points or more for non-native speakers of English choosing English taught programs.

1. Certified highest diploma, and transcript with an average of over 70% (should be notarized by related organizations)
2. Copy of Passport home page, and soft copy of your passport photo with white background, photo size 480x720
3. CUPB Application form or CSC form (for applicants who are also applying for the CSC scholarship)
4. Two recommendation letters (Given by at least an associate professor for postgraduate applicants)
5. Study and research plan
6. English or HSK Proficiency Certificates
7. Physical Examination Report (Health Certificate) (laboratory reports must be attached)
8. Non-criminal Record Certificate
9. Acceptance letter from your supervisor (For postgraduate applicants only, mandatory for PhD, advisable for Master)
