

JIA Xinfeng

Ph.D., Assistant Professor

Email: xinfeng.jia@cup.edu.cn TEL: +86-10-89739823

Address of Office: Room 1424 in the Zonghe Building-B, Department of Petroleum Engineering, 18 Fuxue Road, Changping District, Beijing 102249, China

Education

Ph.D., Petroleum Engineering, University of Regina (Canada), 2014

M.S., Research Institute of Petroleum Exploration and Development (China), 2009

B.S., Petroleum Engineering, Southwest Petroleum University (China), 2006

Research Areas and Interests

Heavy Oil Cold and Thermal Recovery Technics

Heat/Mass/Pressure Transfer

Foamy Oil Flow

Fluid Flow in Tight Oil Reservoirs

Teaching

Petrophysics

Professional Experiences

2014.07-2016.12, Research associate, University of Calgary, Canada

2017.01-present, Assistant Professor, Department of Petroleum Engineering, China University of Petroleum (Beijing), China

Other Professional Affiliations

Member of Society of Petroleum Engineers

Member of Canada Heavy Oil Association

Selected Publications
